1. My Wallet

1.1. Test our App Coupon

The following Terms and Conditions refer to 'Test our APP Coupon', hereafter 'Coupon'.

- a) The User can trade on Demo environment to test the XTrend Speed App.
- b) Each Coupon can only be allocated to one trade.
- c) The profits from trades executed with Coupon cannot be withdrawn unless you deposit.
- d) The value of the Coupon is maximum \$100, which predefines the Stop Loss(S/L) and Take Profit (T/P). The maximum profit from Coupon trade can reach up to \$3.
- e) Coupon trades will be closed by the end of trading day and cannot be held overnight. (eg. If a client uses the coupon 3 minutes before market close time, the trade will close by the end of market.)
- g) Coupon cannot be used to place pending orders.
- h) Coupon trades are executed on demo environment.

1.2. Credits

- a) Credits can be claimed only from trading activity and can be used to open and close positions in all Symbols.
- b) Credits are valid for 15 days and the validity period can be found to “My Wallet”, please see section 2 for further details.

1.3. Redeemable Credits

- a) Redeemable Credits can be claimed through task activities. More information can be found in the Xtrend Speed and XTrend Speed App activities, please see Section 2 for further details.
- b) Redeemable Credits can be used for the following trading purposes:
 - i. Event Credits can be redeemed and used for trading on the day of a Market News
 - ii. Event. Specified Credits indicate the specific Financial Instrument of which the credit can be used to trade with.
- c) Credits are valid from 1 to 3 days depending on the redeemable credit type. The exact validity period of the credit used can be found when using the credit for trading in the “My Wallet” Section of App.
- d) Clients trading with Redeemable Credits have the below limits:
 - i. The maximum amount of Credits used with validity of 1 trading day is \$100 per trading day.
 - ii. The maximum number of Credits used with validity of 3 trading days is \$200 per trading day.

2. Credits Terms and Conditions

The following Terms and Conditions refer to “Credits” and “Redeemable Credits” .

- Credit Conversion Rate: Credit \$1 = \$1.
 - Credit cannot be converted to capital and withdrawn by the client.
 - Credit can also be earned via the Task Center.
 - Clients having not deposited can receive up to \$100 Credit.
 - Credits are kept separately from Users’ Account balance or Equity Balance.
 - If the User trades with Credit, and makes profits, all of the profits will be credited as capital to Users account balance.
 - Losses will be waived by the Company and not taken from User Account balances, therefore, Xlearner fully covers the invested margin of the Credit (i.e. covers risk) for trading.
 - Your maximum profit of Credit trade can reach up to 100% of Used Margin. x) Credit trades cannot be held overnight.
 - Credit is not redeemable with real cash and any residual value of the Credit cannot be reused once used.
 - Credit may expire depending on the activity within the Xtrend Speed and XTrend Speed App. xiii) Profits from Credit trade can only be claimed by Fully Verified Clients.
 - User cannot transfer Credit to other Xtrend Speed and XTrend Speed Clients or other Xtrend Speed and XTrend Speed Users.
 - Credits cannot be used to place pending orders.
 - When executing credit trades, hedging is not allowed on the same symbol within the first 5 minutes from opening the trade.
 - The Company, without any given notice, may void trades executed by credits in order to cover a claim that might have against the Client and/or to cover any other indebtedness the Client might have with the Company and/or to cover a claim presented to the Company.
 - Xtrend Speed and XTrend Speed reserves the right to stop rewarding a client with loyalty membership credits in case of suspected fraudulent activities aimed at earning credits.
 - The Company reserves the right to revoke any Credit and profits earned with the use of Credit that occurred due to:
 - any Event of Default as defined to our Client Agreement.
 - any error, failure, interruption, disconnection, delay, technical problems, system failures, malfunctions and other similar system problems and/or defects as defined in the Client Agreement.
- i) Any credits and profits earned with the use of Credit, generated from misquotation or technical issues or the user commits any other improper abusive trading as defined in the Order Execution Policy will be voided.
- ii) Any credits earned from profits arising from abusive trading as defined in the Client Agreement will be voided.

3. The Forum

- 3.1 The content posted in Xtrend Speed and XTrend Speed Forum is for information sharing purposes only. Nothing on this site should be accepted as recommendation to purchase any financial instrument. The choice and risk is always on the client.
- 3.2 The Client is prohibited from revealing any personal information and contact information as well as posting advertisements or promotions. Failure to comply will result in the Client being banned and removed from the forum.
- 3.3 The content found on this forum is not provided by Topline Ltd. Topline Ltd makes no representation and assumes no liability as to the accuracy or the completeness of the content provided, not any loss of capital, opportunities or forecast arising from any information contained in the XTrend Speed Forum.

4. Credit Points
